For Immediate Release: December 2, 2014

15-minute Traffic Break Scheduled for Interstate 15

Hesperia, CA – As part of the utility need for the new Ranchero Road Interchange, the California Highway Patrol will be assisting Southern California Edison by facilitating a 15-minute traffic break of both directions of Interstate 15 (weather permitting). The traffic break will begin at 10:00 am on Thursday, December 4th. Use caution when traveling through the area and DO NOT pass patrol vehicles assisting in this effort.

Closure Detail

Date	Time	Location	Details
Thursday December 4	10:00 am – 10:15 am	Interstate 15 between Oak Hills Road and US 395 (both directions)	Short-term closure of ALL LANES of Interstate 15. Traffic is advised to hold and wait for CHP to release traffic back to normal operation.
